THE PACIFIC HARDWARE CO., LTD.

Good Air. - Good View. - Good Health.

A Special Invitation is extended to Everybody to visit Honolulu's most delightful residence site,

PACIFIC HEIGHTS.

Via Maxima. KATULANI DRIVE—Aptly termed, the Via Maxima or Grand Boulevard, and in itself an artistic piece of engineering—affords easy access to all points, as also scenic and marine views of exquisite grandeur at every turn.

Electric Railway. Contracts have been let for material, and the work of construction, equipping and installation placed in the hands of a competent electrical engineer to be fully completed by June 1st. Having an independent power plant we are prepared to furnish power for electric lighting, heating and other purposes, to our home builders at most reasonable rates.

As Promised. Our reservoirs are now completed and water mains laid so as to supply each lot. Permits for making water connections will be granted on application.

An inspection of the attractive homes now building, or the name of purchasers of lots, will convince anyone that PACIFIC HEIGHTS is the choicest and most select of all the residence sites of Honolulu.

SALE OF LAND IN MANOA VALLEY, HONOLULU, OAHU.

OPPORTUNITY IS GIVEN TO purchase in Manoa Valley a beautifully situated property containing all the necessary essentials for a homestead and where healthful climate and picturesque scenery are in the midst of historic surroundings and all in contact with improved grounds, planted with various foreign fruits as well as supplied with fruits trees indigenous to Hawaii. The acreage of 45.64 acres in fee simple and 31.16 acres under long and favorable leases.

Included in the improvements on the fee simple portions, is a roomy modern dwelling house furnished with sanitary and other conveniences; there is also situated thereon a roomy carriage-shed and stable.

The celebrated Waiakeku (Water of the Gods) Falls is in near proximity and the cool, clear, sparkling water therefrom flows through the grounds, supplying ample opportunity for increased irrigation to the acreage already planted and which is capable of considerable improvement.
