Sewing Machines, cheap at L. B. Kerr's.

The Healanis will meet at 4 p. m. to-day.

The Alameda left at 1 o'clock this afternoon.

Don't get freckled, buy one of L. B. Kerr's sunshades.

If you don't get your paper, ring up 841—THE INDEPENDENT.

W. O. Smith has gone to New Zealand to study—land laws.

C. B. Wilson is rustivating with J. F. Colburn at his Pearl City oyster farm.

Marshall Brown is busy on road juries and has no time to investigate Wailuku murderers.

The latest reports from the California tracks show that the Hawaiian horses are "not in it."

Ladies' Black Hose in Cotton and Lisle Thread; plain and lace fronts, at L. B. Kerr's, Queen street.

The kamaainas missed Captain Morse to-day. The Alameda without the genial captain is N. G.

Billy Auld is sending fine kumu's and squids to his chums. THE INDEPENDENT is still waiting for a share.

Nothing is heard about the Hawaiian horses which were expected to make records at the Bay District events.

The "missionary" Advertiser has started another gambling scheme. Where is the virtuous police and the government?

The Board of Health advertises in another column that the mails are O. K. The microbes will not tackle them any longer. How about the fe-mails.

Mrs. J. W. Lunning who has been very ill for several weeks is on the road to recovery and her many friends hope that she will be able to be around in a few days.

Look here! The very latest! N. S. Sachs has succeeded in buying a lot of the Knox Sailor Hats at a big sacrifice. Now is your chance ladies. The Popular Millinery House, 520 Fort street.

Thurston and Luning have transformed the backyard of their office into a most beautiful garden. Luning "waters" the plants and Lorrin sits in the shade of the significantly planted "coxcorn" and builds "castles" in the air.

J. F. Brown, who acts for the land commission recently appointed, is now busy in appointing agents for the different districts. Mr. Brown needn't waste his time. The commission will come to naught before it is started.

California Grapes, Peaches, Nectarines, Apricots, Celery, Cauliflowers, Fresh Oysters and crabs are amongst the ice house, goods received on the Australia by the California Fruit Market, Camarinos & Company. The finest quality and the lowest price.

A new cyclorama of the volcano is projected to be taken through the States. Why shouldn't there be another good one when D. H. Hitchcock's pictures and J. J. Williams' photographs are to be had? It seems to us the project will be a great success.

There was a rumor that the Alameda would take no freight and no passengers from this port. The agents of the steamer laughed at the report, and stated that the reason why freight was not taken, was due to the full load taken from San Francisco.

To close them out Shirt Waists, formerly selling at \$1.50 each, have been reduced to \$1; and Pith Hats, which were selling at \$2, from this on will be sold at \$1 each. Call early before the supply is exhausted. A. Barnes, New Republic Building, King street.

Prince Cupid, Frank Vida, and a number of other boys were busy practicing tennis at the Beretania Club courts this morning. How nice it is to see the boys out so early. At the Pacific club the ladies do the "pretty" at the same unearthly hours.

Cholera rumors were ripe this morning. They were probably caused by the departure of W. O. Smith. The "Anchor" however held its own and Billy Cunningham dispensed the celebrated micropo-killing "long life" whiskey without fear or favor. Fredricksburg beer was also at a premium.

If the Advertiser can be believed the following item ought to make Marshal Brown hair turned grey, and the tax payers look at least doubtful: "Officer Gus Cordes, last night, had his eye on a woman of bad reputation."

The report in the Advertiser this morning of the meeting at the Central Union Church last night was highly amusing. Judd, Frear, Wood, Bishop, Lyons and a number of others who know as much about latin as a horse does about playing lacrosse expressed themselves. The wisdom of the highly educated who can't pronounce correctly the Greek alphabet, was aired in an attempt to show how they think that the religious business of the local institutions should be conducted. They are a credit to their alma mater.

Funeral of Kawanui

Editor "Joe" Kawanui was buried yesterday with all the honors due a good and true man. The Rev. H. H. Parker conducted the service. The Hawaiian band was sent by Minister Hatch to attend at this solemn occasion. President Dole and all the members of the Cabinet were present and a large number of Hawaiians and prominent foreigners did honor to the deceased. The following gentlemen acted as pallbearers:

John E. Bush, Joseph Nawahi, W. A. Farrington, F. J. Testa, J. L. Kaulukou, S. K. Kane, E. K. Lilikalani, S. M. Kanakanaui, John Eas, and John Nott.

The final rites took place at the Kawaiahae cemetery and were most impressive. Abraham Fernandez had charge of the ceremony and had everything arranged in the most satisfactory manner.

Sans Souci.

The most lovely spot on Oahu is Sans Souci. This favorite seaside resort, which has been immortalized by the pen of Robert L. Stevenson, who resided there for months, is only four miles from Honolulu and within easy reach of the tramcars. The surroundings and bathing at this famous resort are superior to anything found in the Hawaiian Islands. Cottages and board can be obtained on easy terms. The table set by the manager is better than any offered here at other hotels. For picnics, bathing parties and outings the best accommodation can be secured by giving notice to the manager.
